

GROUND TOP  
SERVICES PTY LTD

# COMPANY PROFILE

[www.groundtopservices.co.za](http://www.groundtopservices.co.za)

# OUR BACKGROUND

Ground Top services was established in 2014, with a focus on grass cutting, landscaping, weed eradication, indigenous landscaping and alien invasive removal.

Our design philosophy is to provide a healthy, comfortable, beautiful and sustainable environment. Our work is inspired by unique customer driven designs that are not only beautiful but also efficient. We give priority to the use of natural resources, owing to their ingrained depth and enduring qualities.

Landscaping is both a science and an art, and requires good observation and design skills. Ground Top Services understands the elements of nature and construction and blends them accordingly.

We are a company totally dedicated to environmental ethos, and shall ensure the continuation of a safe, clean and healthy ecosystem. We also have solid business processes that are geared towards a greener towards a greener environment.

## OUR BACKGROUND

We have serviced a number of Residential Complexes and Corporate Parks Nationwide. We are a Black female owned company with a BBBEE Level 1 status. Our core business activities have included:

1. Alien Invasive Plant Species Removal
2. Landscaping
3. Design and Implementation of Sensory Gardens
4. Tree Felling and removal
5. Small to Medium Grading and Trenching
6. Building of foot bridges
7. Paving and Fencing
8. Painting
9. General Repair and Maintenance
10. Garden Maintenance

Ground Top Services, specialises in the removal of Alien invasive species (AIS) using technologies that do not harm the environment and are bio degradable when necessary.

We have also used our bio-degradable regenerate product to assist in the growth of vegetation in areas that are considered denuded.

# SPECIAL PROJECTS

GROUND TOP  
SERVICES PTY LTD

Below are a few pictures which reflect some of the Special Projects we have assisted with.

## GENERAL LANDSCAPING

We offer mulch & rock installation, planting & removals, hedge trimming, bed edge creation/redefining, and more. We take great pride in our landscaping and do not settle for anything less than perfection!

## GRADING & DRAINAGE

We do small to medium size grading and drainage projects. This includes, burying downspouts, French drains, sloping yards to achieve proper grade, gravel & base rock installation, and more.

*Before Bio degradable Re-generate.*

**SPECIAL  
PROJECTS**

After Bio degradable Re-generate.

GROUND TOP  
SERVICES PTY LTD

## OUR VISION

To become a market leader in indoor/outdoor plant maintenance and landscape services by provision of quality products and pursuing excellent customer services while embracing environmental ethos that guarantee a safe, clean and healthy ecosystem Nationwide.

## OUR MISSION
